

Student Council Meeting was held in a democratic system

The meeting started at 2:00 p.m in the Teachers House Meeting Hall headed by İdris Demirdağ the Head of Student Council

At the meeting on 23.12.2010 the report which is prepared by the committee about the draft questions which haven't been analysed yet and the draft questions that were referred to the related authorities was read and accepted by majority

The Head of Student Council İdris Demirdağ started the meeting asking the suggestions of council members to discuss.

Proposal 1 : The Head of Student Council of Anadolu İmam Hatip Lisesi : We have difficulties in the class system. It was discussed and referred to the related committee.

Proposal 2 : The Head of Student Council of Ülkü İlk Öğretim Okulu : We have smart boards in some of the classes and they are really useful and we

want smart boards in all our classes it was discussed and referred to the related committee

Proposal 3 : The Head of Student Council of Naşide Halil Gelendost İlk Öğretim Okulu : In some schools in Isparta there are special classes for hardworking students it was discussed and reported that the Ministry of Education had already prohibited that.

Proposal 4 : The Head of Student Council of İmam Hatip Lisesi we divided the 40 minutes lessons as 20 minutes for the course and 20 minutes for the quizzes and we became succesful. It will be good for all classes. It was discussed and it wasn't accepted because of the **curriculum**. The subject in the books can't be finished if it is accepted.

Proposal 5 : There shouldn't be students on duty. Because they have a lag on subject when they aren't in the classrom.but the proposal wasn't accepted and as it was thought that it was important for the aspect of school, and how to give a kind reception to the guests,students should be on duty.
