

Interview with the Head of The Student Council in Isparta Sehit Ali Ihsan Kalmaz Anadolu Liesi.

Why were you candidate ?

I think spiritual things are more important than material things and i wish our all friends would believe that .

What have u done for election could you please tell us step by step ?

At first i told my opinions to my friends and they all supported me , then i have pressed billboards and also i have written an effectional text

Why should they choose you ?

Because i am a modernist person and also i think there are much things to change at our school

Which part did you love best about your address ?

When i addressed you as my “brothers and sisters” then i explained like that im saying u my brothers and sisters because i couldn’t find any other word to explain my fellings

And then which part did you love best at the other candidate’s talking text

At the Idris’s talking text i loved best that his sentences about the leader of Turks

And at the ibrahim’s talking text i loved best that he had asked to idris that“ how can you be sure about your promisses willyou get your permition “i really loved that

And umut tell us about yourself?

Like i said i’m modernist person, in my free times i like playing guitar, i am interested in learning new musical instrument, i hate fake people but i like all natural things

I was born in Burdur at 30.09.1994

What kind of books ,musics and films do you like ?

I love romantic books for example i have read Aşk-ı Memnu

Generally i listen alternative rock my ;best singer is Erkin Koray

I like watching science-fiction movies i watched dark novel last

Well umut do you want to add some more thing ??

No thanks and thanks again for that interview

And we thank to Umut Kabay for accepting to have an interview with us

:D :D :D :D
