

**Hello! :D I'm Alana Moriarty and I will be 16 on October the 24th. I live in Arklow, which is a small town in County Wicklow. I am very excited about taking part in this project!**

**I go to school in St. Mary's College, and I'm in transition year. This is the equivalent of 4<sup>th</sup> year and is optional. I love it! :D We don't have any exams to worry about this year and we do lots of different projects. ☺ My school is an all-girls school with about 600 students.**

**I am the youngest in my family. I have one brother, Colm, who is 30 years of age and one sister called Ciara who is**

28! I get on very well with them both. 😊 My Mam and Dad both work in Dublin, which is about 40 minutes away from Arklow. My sister has 3 children aged 1, 4 and 7. I love them all, I love my family! :D

In my spare time I love to golf. 😊 I play on the weekends with my friends, and sometimes my Dad or Brother. I really enjoy it! Some other sports I play are basketball, hockey and sometimes trampolining. :D

My favourite way to spend my weekend is with my friends. My best friend's name is Niamh. We have been friends since we were 5 years old! She does not live near me, so I only see her every few weeks. I always look forward to seeing her and we have a great time together. :D

I also love listening to music. My favourite artists are The Black Eyed Pea's and Example. When I'm not golfing or with my friends, I'm probably listening to music!  
:P

Well, I think that's all you need to know about me! Hope to see you soon. :D
