

Interview with the head of headmen association

Could we learn about you?

I am Osman KINAY. I am married with three children. I have been a head men for 21 years. I have been a head of headmen association for 18 years.

_How did you decide to be a headman?

When I was 32 I became candidate and I was chosen.

_How and how often is the headman election run?

Once in five years.

_What does a headman do?

It is the smallest management unit. They determinen the whole necessities of their area, and supply them. They plan the budget.

_What's the mean of headmen for their public?

Headmen is the big management unit for small places.

_Which units are located beside to headmen?

There are four royal and four reserve members with headman.

_During the election how do they do their propaganda?

Headman is not a member of a political group.They are doing their propaganda wth their own budget.

_How many headmen are there in Isparta?

There are 68 headmen in Isparta.

_How many headwomen are there in Isparta?

There are 3 head women in Isparta.

_Why did you choose to be a headwoman?

I was a member for a period. And then I was chosen as a headwoman.

_Why do you think there are several women while there are a lot of men ?

Because women have lack of self-confidence themselves.

_What kind of problems do you have as a head women?

Nothing . I trust myself . I can be as succesful as a man.
